## REPORT OF LIBRARY TRUSTEES.

---

The Marlow public library is in a satisfactory condition as a whole.

There are on the shelves the same number of volumes as reported last year, 1654. The board of trustees met at the library, Jan. 3, 1912, and proceeded to elect officers, with the following result: President, William W. Howe; vice-president, Harlan E. Honey; secretary and treasury, Walter R. Haydock. After transacting routine business, the board voted to amend Rule 2, by striking out the clause: "neither shall any family be entitled to more than (3) three volumes at a time." While the library has been liberally patronized, we would respectfully urge the townspeople to a more general use of the excellent literature which it contains. Good health reading is a constant source of education and enlightenment. The funds in our treasury are ample, but before we submit our report for your consideration, we hope to have purchased a new lot of books from out of the available funds.

## REPORT OF SCHOOL BOARD,

For the Year ending February 15, 1912.

---

Your school board again submit their annual report for your consideration.

We have maintained the usual thirty weeks of school in each of the three schools with results varying from good to indifferent.

The primary school was taught by Miss Sara E. Phelps with results very gratifying to us, and we think worthy of your approval, which, judging from the friendly relations which seemed to exist between teacher, pupils and parents, was given thus making possible the pleasing results which are impossible under the reverse conditions. Accept our thanks for your co-operation, which helped to make this school one of which we all have reason to be proud.

The grammar school was taught by Miss Lucy E. Benway. As in the past, this is a hard school in which to obtain good results, owing we feel, largely to the failure of the parents to render the teacher that assistance which is ever necessary if best results are to be obtained. This school has not and cannot be a success until the pupils learn to appreciate the advantages offered them, and the parents insist upon their improving them.

The school in Division No. 7 was taught by Edith L. Pitcher. This school was much smaller than was expected but the results obtained were very satisfactory.

The following is the roll of honor as it appears on the registers:

Three terms—Jessie F. French.

Two terms—Ira C. French, Frank C. Elliott, Ethel L. Whippie, Josie E. Murdough.

One term—Gladys M. Whippie, Arthur E. Winham, Kaby L. Winham, Bertha M. Whippie, Mildred I. Pitcher, Walter B. French.

The school board presents to the town the following estimate of money required to be raised for the support of schools for the year 1912.

1.—School money required by law and such additional sums as the district may vote.	
2. Money for high school tuition,	\$50 00
3. Money for text books and supplies,	60 00
4. Money for salaries of district officers,	76 00
